Product size (L x W x H)	120 x 120 x 1 mm
Net weight	4 g
Included accessories	Set of mounting screws
EAN code	5901720135858
Warranty	24 months

Description

The dust filter for ATX Akyga® AK-CA-71 enclosures prevents unnecessary dust particles from entering the computer. Thanks to the filter, we can reduce the frequency of cleaning the interior (just clean the filter) to protect components from excessive overheating and thus increasing the life of the fans. The cover is mounted to the housing with the four screws provided. The spacing of the mounting holes is 10.5 cm.
