Warranty	24 months

Description

Akyga® AK-CA-45 is a high quality adapter equipped with SATA and MOLEX connectors. It can be used as an accessory for computer cases to connect devices with a SATA SlimLine port, such as CD / DVD drives.

Desktop computers usually mount drives for 5.25-inch bays, but currently the interest is slim housing that matches those used in laptops. The Akyga Slimline AK-CA-45 adapter enables their easy connection.
